On October 25, 2019, the Court granted the government's motion to extend the deadline to file responses to Defendants' substantive motions and to extend Defendants' deadline to file their reply briefs. (Doc. 795.) That Order extended the government's responses to November 22, 2019, and correspondingly extended Defendants' replies to December 16, 2019. Given the volume and variety of Defendants' motions, the government is requesting a brief extension to November 27, 2019 for the following

2	- Defendant Lacey's Motion to Suppress (Doc. 775);	
3	- Defendants' Motion to Compel Production of <i>Brady</i> Material (Doc. 777);

5	- Defendant Spear's Motion for Bill of Particulars (Doc. 781);

14	- Defendant James Larkin's Motion to Suppress (Doc. 786).	
15	The government has conferred with counsel for Defendants and there are no	
16	objections. Similarly, the government does not oppose an extension for Defendants to file	
17	their replies in support of the substantive motions. Currently the deadline is December 16,	
18	2019, and the parties have agreed to an extension to December 23, 2019.	
19	Excludable delay under 18 U.S.C. § 3161(h) may occur as a result of this motion or	
20	an order based thereon.
